To

B. Srinivasa Iyengar, Esq., B.A., B.L.,

Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department.

Sir,

With reference to your letter No.993/M.F.181-25-2 dated 4th February 1926, regarding the reconstruction of the Srikantamandiram at Nanjungud, I have the honor to state that a sum of Rs.14717-11-9 was available at the credit of the temple on the 30th June 1925 -- according to Comptroller's books. The building came under the -- Muzrai Department in December 1892 and it still continues to be in the possession and management of that Department. The rent ----- realized since then has gone for the benefit of the temple and it seems therefore equitable that the cost of the present estimate -- should be borne by the Institution. If the rent realizations had been separately funded, there would have arisen no occasion to bear the charge from the temple funds. Owing to inundation of water - and want of timely repairs, the building has become very ricketty and uninhabitable and if prompt action is not taken to renovate it, it is sure to collapse during the ensuing rainy season. In these circumstances, I beg that the orders of Government may kindly be reconsidered and the estimate for Rs.2500/- sanctioned, the charge being met from the funds of the Sri Srikanteswaraswami temple.

The file of vernacular papers relating to the transfer of the building from the Palace to the Muzrai Department since submit-

submitted by the Deputy Commissioner is enclosed the estimate and other connected papers.

I have the honor to be,

S. Ramaswamy
